Masashi Sumino of the NZ Barbarians Area Schools crashes over for the decisive try in their Hamilton clash against the NZ Harlequins. In support is lock Keeghan Grey.

PRESIDENT'S TEAM TALK

Congratulations to the Chiefs; a great team effort to back up last season and without Sonny Bill Williams and Richard Kahui in the midfield; top coaching from Dave Rennie and his support crew. With a tremendous team spirit and culture, the Chiefs will be hard to beat in 2014.

Now that all the club finals have finished, it's time for the ITM Cup. Looking at the forward pack that Wellington has this season, I think the Lions will be hard to beat in the finals, but in the early part of the season look for the teams with the sharp backlines like Counties Manukau and Hawke's Bay.

Historic moment for the club

For the first time in the Barbarians' 76-year club history, three ladies have been inducted as new members into the New Zealand Barbarians:

- *Anna Richards, winner of four women's Rugby World Cups
- *Dr Farah Palmer, winner of three women's Rugby World Cups
- *Melodie Robinson, winner of two women's rugby World Cups

These three ladies have all achieved tremendous milestones in women's rugby. We are delighted to have them as new members.

Secondary schools

We began our secondary schools programme with a match in Hamilton on August 23 between the New Zealand Barbarians Area Schools team and the Harlequins. This was a new initiative for the Baabaas, and we have taken over the Area Schools sponsorship from the Rugby Foundation which is focusing on supporting injured players.

The side is chosen from the 42 country schools from Taipa in the north to the Catlins in the south. We are aiming to provide a pathway to the top for all secondary schoolboys at every level. Mike Smith and Bob Telfer did a great job bringing the boys together from around New Zealand for a week in Hamilton, culminating in a 12-6 win over the Harlequins. There certainly is talent in the team so hopefully some of you got along to the match.

The national Top 4 secondary school playoffs are in Rotorua from September 6-8. Come and watch the best of New Zealand schools players, our future All Blacks. This is a great weekend for Barbarians comradeship and watching quality First XV rugby.

Bay of Plenty Fun Day

Ron Williams, along with John Cresswell, put together our first fun day out of Auckland. It was at Paengaroa in the Bay of Plenty, at Bruce Cameron's local club. Twenty primary school teams around the Bay had a great time and the Bay of Plenty RDO Kane Hames ran the event very well with a lot of Barbarians support.

General

Please have a look at the upgraded website. Campbell Burnes and David Levin have done a great job getting it updated and looking good. Check it out at www.barbarianrugby.co.nz

With the ITM Cup starting and the All Blacks playing over the next few months in the Rugby Championship, please get along to our clubrooms and enjoy the great atmosphere and comradeship. The rugby season will be over before you know it.

Don't forget, too, to get along if you can to our middleweight tournament at the College Rifles club on September 14-15.

Thanks again to our sponsors, especially Barfoot & Thompson and Glengarrys.

Kind regards,

Mike Mills

Deaths Of Members

Pat Sheahan (1927-2013)

Marist Rugby Club and the Barbarians formed the cornerstones of 'Red' Pat Sheahan's rugby life.

Sheahan, schooled at St Peter's College, played for Marist as a prop, winning a Gallaher Shield in 1950, and made his sole appearance for Auckland as captain against Waikato in 1954. He was integral in the Marist 1960s shift to what became known as Liston Park, and he also helped donate the Dave Grace Memorial Trophy, played for between the Marist and University clubs. Sheahan served as president of the Marist club and was subsequently awarded life membership. In 1975 he was invited to join the Barbarians club, for whom he always had the highest regard. It was fitting that a large wake was held for him in the Barbarians clubrooms.

Away from rugby, he was an outstanding rower, being part of an Auckland Rowing Club eight that won a national title in 1946. He was also a generous host of the old Globe Hotel.

Laly Haddon (1939-2013)

Laly Haddon had the misfortune to be showing his wares as a speedy, tough No 8 at the same time as Brian Lochore was in his pomp for the All Blacks.

Haddon played 77 games for North Auckland from 1963-73 and made his mark in 23 matches for New Zealand Maori from 1964-73. He had just one All Blacks trial, in 1966. His 8-9 combination at the scrumbase with Sid Going was a key cog in the rugged North Auckland sides of that era.

Haddon started his career as a wing, and moved into the pack with no loss of speed. A farmer, he led a very full life after rugby, serving as a Rodney county councillor, and kaumatua for the Leigh and Pakiri areas. It was said he was the "self-appointed mayor of Pakiri." His conservation work earned him a QSM. Haddon died in July after a long battle with cancer.

Ross Nicholson (1922-2013)

Rugby players of today, and indeed back in the day, owe a debt of gratitude to the sterling, ground-breaking work done by Ross Nicholson, regarded as one of the founders of modern orthopaedic medicine in this country.

Nicholson played for the Grammar club after he left Auckland Grammar School, but he was to make his greatest mark as the honorary medical officer for the New Zealand and Auckland unions. If any prominent player had a shoulder, knee or joint problem from the 1950s to the '80s, there was a high chance Nicholson would have had a hand in the surgery or rehab. Dedicated to his craft, he was often the doctor on duty at Eden Park rep and test matches, and mentored top sports physicians such as fellow Barbarian Barry Tietjens. Racing was Nicholson's other great passion, and he regularly gave medical advice at the Auckland Racing Club in Ellerslie.

We have a bumper crop of 27 new members in 2013. Congratulations and welcome to you all. Ten were on hand for our new members' induction night on July 24.

FUN DAY REVIEWS

The Barbarians club pulled off two fun days in the space of a month... and did not miss a beat.

Ron Williams and his large team of helpers put on another superb day of rugby and fun for close to 800 primary school kids at the usual Navy RFC venue on May 26. This popular Auckland region fun day has run since 1989. The weather was fine, though the fields were muddy, which the kids loved. Good to see the Blues along in numbers to help out too.

On June 26 we held, in conjunction with the Bay of Plenty union, our first fun day in Paengaroa. There was a pleasing turnout of Barbarians to assist with 20 teams and over 300 kids. We received some good media coverage in the local press. This all bodes well for future BOP fun days.

MEMBER PROFILE JOHN LESLIE

John Leslie is one of nine Barbarians residing in Otago and is the latest to join the club father-son list with his father, former All Blacks captain Andy Leslie.

The 42-year-old has been retired from active play for almost a decade, but these days keeps his hand in as coach of his son Jack's Southern club Under 13 side and club captain of the junior section. That followed several seasons coaching the University premiers and colts in tandem with his good mate Josh Kronfeld.

He heads the Leslie Rugby operation – www.leslierugby.co.nz – which supplies rugby product (balls, jerseys, etc.) to clubs and schools as befitting their grassroots focus. Leslie Rugby is the official ball of 13 unions round the country and has given away over 100,000 balls over the years. He also helps run coaching clinics which are high on fun and skills, involving current and former stars of the game.

John Leslie passing on his vast rugby knowledge to the Southern RFC Under 13s in Otago.

Leslie carved out a fine career, playing 173 games in New Zealand first-class rugby for the Highlanders, Otago, New Zealand Universities and the South Island from 1991-2004 with an hiatus from 1999-2002 when he appeared for Scotland, alongside brother Martin, and the Newcastle and Northampton clubs in England. Close to the top of his highlight reel would be the 1998 NPC, where he helped Otago to glory, and the 1999 Five Nations, which Scotland won, and in which Leslie registered one of the fastest tries in international history, a 10-second job from the kickoff against Wales.

Made a Barbarian last year, Leslie is fully cognisant of the club's storied history and ideals. He played one game for the NZ Barbarians, a non first-class fixture against the All Blacks in the mid-1990s. "I've been a Barbarian for two years and whilst living in the south it can be a bit removed, I really appreciate the information. I enjoy being part of the club and I would love to strengthen my involvement there," he says.

"The Barbarians and what they stood for always appealed to me... I do love the culture of the club to give the ball some air. These days a lot of game plans are mirrors of each other. That's where the Barbarians are wonderful. They encourage daredevil rugby, but also open up innovation and opportunity, especially through school and club rugby."

Leslie is married to Carmel and, along with Jack, is father to 10-year-old Amaya.

NZ AREA SCHOOLS

The New Zealand Area Schools team played this year under the Baabaas banner and did the club proud, winning both its matches (for the first time since 2007) – 39-5 over Thames Valley Under 18s in Paeroa and 12-6 against the NZ Harlequins, effectively a Waikato Under 17 team, in Hamilton. Barbarian Matthew Cooper presented the jerseys and the NZ Barbarians Area schools went out and defended tenaciously to secure the victory. Well done to the coaching and management team, led by former North Auckland and Thames Valley prop Mike Smith and former Southland No 8 Bob Telfer. Visit our website, under the Barbarian Rugby link, for a fuller report, the squad list and more pics from the team's week in Hamilton.

KEEPING IT IN THE FAMILY

BAABAAS BRIEFS

*Congratulations to Warren Gatland for his 2-1 series victory over Australia as head coach of the British and Irish Lions. The Lions were the superior team in the third test in Sydney but it was a close-run affair against the Wallabies of Robbie Deans. The Lions lost only one other tour match for an 8-2 record and Gatland can add this to his CV along with two Grand Slams and the 2013 Six Nations title with Wales.

Well done too to Wayne Smith, assistant coach of the Chiefs, who have won back-to-back Super Rugby titles.

*Not to be outdone is Peter Rowe, one of our Wanganui (and younger) members, who scored the sole Ruapehu try, between the posts, as this club clinched the Wanganui premier club title for the second year on the bounce with a narrow 16-13 victory over Pirates. Rowe is the two-time, and reigning, Heartland player of the year.

*North Shore is the oldest rugby club in the Auckland region and the Barbarians helped this North Harbour institution with its Queen's Birthday weekend 140th jubilee celebrations by putting out a competitive side, which included the likes of Craig Dowd, Ian Jones and Slade McFarland up against a North Shore President's XV, in a festival match. We can happily report that the Baabaas won and everyone had a fine old time. Staunch North Shore Barbarians include Simon Gundry, Frano Botica and Wayne 'Buck' Shelford.

*It's funny what nuggets of info surface if you watch enough rugby on the box. During the coverage of the Polson Banner fixture on August 7, Richard Turner mentioned that he was billeted with one BJ Lochore when Napier Boys' High School was playing Wairarapa College in 1985. 'POD' Turner must have listened well, because a year later he was playing for Hawke's Bay, still in his teens! Keith

Quinn, another proud Barbarian, added that Jonah Lomu was billeted with the Meads family in 1990, at the northern region Under 16s tourney in Te Kuiti. Sir Colin Meads, many years later, quipped that he had seen plenty of players the same size as Lomu, but none of them played on the wing. He may recall that Jonah was a lanky lock in that tournament, as a 15-year-old!

Funny how these Barbarians first run into each other...

*The club has a stack of fetching new apparel in stock and this is available to members and non-members alike. Check the website for further information and prices, et cetera.
